What is weatherization?

- Assisting individuals with limited income to conserve energy by:
 - Lowering fuel bills
 - Saving you money
 - Making your home more energy efficient
 - Warmer in the winter
 - Cooler in the summer

Who pays for this?

- No cost to applicant
- State government assists
- Federal government assists
- No lien is placed on the house or property

Source: Department of Energy

What's the catch?

- There is no catch!
- More than 2,500 homes in PA are being weatherized each month!

What is done?

- Energy Audit
 - Auditor visits your home to determine what work needs to be done
- Work may include:
 - Caulking windows, attic insulation, weather stripping doors, adding door sweeps, tuning up gas/oil heaters if needed
- Inspection
 - Work will be inspected to ensure satisfaction

Who qualifies?

- Owners
- Renters
- People whose income doesn't exceed guidelines for previous 12 months

Why should I apply?

- You can't afford not to!
 - Saves money
 - Conserves energy
 - Both can be accomplished through weatherization!
